DEAR COLLEAGUES,

We are pleased to invite you to the **4th ADR-AC Symposium**, scheduled for May 2nd, 2024. The venue will be **Welle 7**, conveniently located near the main train station in **Bern**.

Our team has tried to organize a scientifically and practically interesting program on **drug hypersensitivity** and **chronic urticaria**.

The morning session will feature an interactive workshop for a maximum of 50 participants, focusing on **practical aspects** of drug hypersensitivity and its diagnosis.

In the afternoon, we will delve into the **latest developments** in drug hypersensitivity and chronic urticaria, concluding with noteworthy updates from the lab.

To cap off the event, you are cordially invited to join us in celebrating Werner's birthday, raising a toast to another year of innovative advancements in cellular immunology.

Workshop in the morning

The intention is to address practical issues on drug hypersensitivity and its diagnosis.

→ Bring your cases.

If you would like to discuss an individual case, you may discuss it beforehand with Daniel Yerly, Oliver Hausmann or Werner J. Pichler; please send a short summary before April 19th, 2024, to:

adr-ac@hin.ch

Symposium in the afternoon

In the afternoon we will have eight talks and a round table on relevant topics covering classification, diagnosis, and clinic of drug hypersensitivity and Chronic Urticaria.

Registration

Please register by mail (info@adr-ac.ch)

Please reserve your slot in the workshops (number of participants for the workshop is limited to 50 participants). First come, first serve by registration and payment!

Costs

According to §33 HMG a contribution is required for participation:

CHF 60.—*for workshop or symposium alone*

CHF 100.—*for whole day (workshop and symposium)*

All prices include coffee and lunch.
