

Abstract Guidelines SSDV 2025

Thank you for your interest in the SSDV congress and submitting your abstract. Please find here all relevant information you will need.

1. Guidelines

1. Abstracts may be [submitted online only](#). Start of the submission is **1st March 2025**.
2. Abstract deadline is **16th May 2025**.
3. Submission of an abstract constitutes agreement with publication of the abstract, if accepted, in the SSDV congress special edition of *Dermatologica Helvetica*. Your abstract will be printed as submitted.
4. Submission of an abstract constitutes a commitment by the author(s) to present, if accepted.
5. Presenting authors of accepted abstracts must register for the SSDV conference.
6. Posters submitted by companies are not considered for best poster awards (see below).
7. Posters submitted by companies are subject to a charge of 1,000, Swiss Francs unless it is included in your package as an exhibitor (A *Platin sponsor* has the right to 3 abstracts/posters free of charge, *Gold: 2 poster and Silver 1 poster, please indicate the name of the organisation*).
8. The platform used by SSDV is offered to you by the platform of Organizers. The submitting author will need to open a personal account. If you have submitted abstracts before using the same platform you should have a login already.
9. Your personal login valid for future use, e.g., should you wish to edit or correct a submitted abstract or if you submit further abstracts to the SSDV conference or to any other future conference which uses Organizers as a provider. Renewed entry of your contact details will be unnecessary.
10. The content of Abstracts must be submitted in English, presentations of accepted abstracts may be held in German, French or English.
11. Please structure your abstract using the following headings for original scientific work:
Background / Objective / Results / Conclusion.
For case reports/case series use the following headings:
Background / Observation(s) / Conclusion.
12. The maximum length for the abstract is 250 words. Do not add any reference, tables, charts or graphics.
13. Clarity of expression will be considered in the review process. The overall quality of language used should assure comprehension by the reader.

14. There is no limit to the number of abstracts an investigator may submit. Abstracts that appear to be replicate versions of a single study may be rejected.
15. Please limit the number of authors listed to those who have substantially contributed to the abstract. If authors' names appear on more than one abstract, their names must appear and be spelled identically on each abstract to facilitate proper indexing. Enter every author's name into a separate field for indexing. There will be a **maximum of 10 contributed authors**.
16. Do not use abbreviations in the title. Limit their use to commonly used abbreviations and expand all abbreviations at first mention.
17. After having submitted your abstract, you will receive a confirmation by email with a reference number of your abstract(s), (for inquiry and correspondence purposes).
18. Submitted abstracts after the review process may be edited only with accordance with the SSDV. If you do not receive a confirmation, please contact us at registration@organizers.ch.
19. Abstracts will be subject to peer review.
20. Posters as PDF in A0-portrait format, (*Dimensions: 84.1 x 118.9 cm*) can be submitted to the deadline of **8th August 2025**. The SSDV will print the poster with contribution of a partner.
21. The format of presentation will be decided on by the scientific committee, based on the quality of the abstracts submitted.
22. Authors will be informed by beginning of July 2025 on the decision of the scientific committee (please make sure to state your correct email address). Detailed information on installation and presentation of posters and oral presentations will be mailed directly to authors of accepted abstracts.
23. A Committee delegated by the board of SSDV supervises the abstract submission and reviewing process.

2. Topics

Please carefully select the topic under which you submit your abstract for review. A review board will verify the correct allocation of abstracts and may re-allocate your abstract prior to the review process if placed incorrectly. Please indicate as well if your abstract is issue of a scientific study or a case report series.
